About the Charities:

Larry H. Miller Charities is a nonprofit foundation set up in 1995 to operate as the charitable division of the Larry H. Miller Group of Companies. Funding is provided to groups whose programs and services benefit those who live in the same communities where Larry H. Miller companies do business. Our giving focuses on programs that assist children, with an emphasis on health and education.

Make-A-Wish Utah's mission is to grant the wishes of Utah children with life-threatening medical conditions, and to enrich the human experience with hope, strength and joy. It is our vision that everyone everywhere will have an opportunity at some point to share the power of a wish®. A wish lifts not only the child's spirits, but the spirits of those who love and care for the child, and the communities that gather to fulfill their wishes.
